

Subpart 12.5—Applicability of Certain Laws to the Acquisition of Commercial Items

12.500 Scope of subpart.

As required by Section 34 of the Office of Federal Procurement Policy Act (41 U.S.C. 430), this subpart lists provisions of laws that are not applicable to contracts for the acquisition of commercial items, or are not applicable to subcontracts, at any tier, for the acquisition of a commercial item. This subpart also lists provisions of law that have been amended to eliminate or modify their applicability to either contracts or subcontracts for the acquisition of commercial items.

12.501 Applicability.

(a) This subpart applies to any contract or subcontract at any tier for the acquisition of commercial items.

(b) Nothing in this subpart shall be construed to authorize the waiver of any provision of law with respect to any subcontract if the prime contractor is reselling or distributing commercial items of another contractor without adding value. This limitation is intended to preclude establishment of unusual contractual arrangements solely for the purpose of Government sales.

(c) For purposes of this subpart, contractors awarded subcontracts under subpart 19.8, Contracting with the Small Business Administration (the 8(a) Program), shall be considered prime contractors.

12.502 Procedures.

(a) The FAR prescription for the provision or clause for each of the laws listed in 12.503 has been revised in the appropriate part to reflect its proper application to prime contracts for the acquisition of commercial items.

(b) For subcontracts for the acquisition of commercial items or commercial components, the clauses at 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items, and 52.244-6, Subcontracts for Commercial Items and Commercial Components, reflect the applicability of the laws listed in 12.504 by identifying the only provi-

sions and clauses that are required to be included in a subcontract at any tier for the acquisition of commercial items or commercial components.
